

Tear Down the Walls National Gathering will bring multiple movements together to strategize and network on how to build a more unified, powerful movement for transformational change in the US.

This will be the largest gathering of those working for social and economic justice in the US in 2013. You will not want to miss being part of this conversation!

TEAR THEM DOWN:

Wall Street	Walls of Racism
Walls of Sexism	Walls to Housing
Walls to Citizenship	Walls to Education
Militarized Border Walls	Walls of Oppression
Apartheid Walls in Palestine	Walls of Homophobia
